GUARDTOP® LLC ANNOUNCES PARTNERSHIP WITH NEYRA INDUSTRIES

GuardTop and Neyra to combine sales & manufacturing efforts across the Southeastern United States.

Dana Point, Calif. (2020) – Premium asphalt-based sealcoating manufacturer, [GuardTop®](https://www.guardtop.com), today announced its plans to combine sales and manufacturing efforts with nationally recognized pavement maintenance company, Neyra Industries. Effective immediately, Neyra will begin sales and manufacturing in the Southeast and continue to service GuardTop customers.

Through this strategic partnership, GuardTop and Neyra Industries will continue service to existing GuardTop customers while maintaining focus on ways to improve products, increase ease of manufacturing and exceed customer service standards. GuardTop's Doraville location will still be open under Neyra and sales inquiries will be funneled through Neyra Regional Vice President, Jeff Cayton. Both companies offer industry leading asphalt products and are committed to ensuring unparalleled customer service.

"It is important to us that we can continue servicing all areas of the country while discovering new ways to maximize customer satisfaction. Neyra gives us the ability to expand our service to customers throughout the East coast and Southeast," shared GuardTop's Vice President of Sales Jeff Luzar. "Because both Neyra and GuardTop share similar values, we can assure everyone Neyra will surpass all customer service expectations, keep the quality of GuardTop products intact. We know this will be a smooth transition."

"Through the partnership with GuardTop, Neyra is able to expand our manufacturing and increase awareness of both brands and products," said President of Neyra Industries, Nathan Neyra. "Both companies have similar values and offer exceptional products. We are excited about the partnership."
